The screenshot shows the 'MewPipe' video management interface. At the top, there's a navigation bar with a search bar, a 'SEARCH' button, and links for 'MY VIDEOS', 'UPLOAD VIDEO', 'MY ACCOUNT', and 'LOGOUT'. Below this, an orange banner states: 'This video is currently being converted by our servers. It is not visible yet but you will receive a mail when your video will be available.' The main section is titled 'Uncharted 4 Gameplay - part1.mp4 - Edition'. It contains several form fields: 'Video Name' (with a hint about its importance for search), 'Video Description' (with a hint about its role in search suggestions), 'Video Category' (a dropdown menu currently set to 'Video games'), 'Video Tags (separated by a space)' (a text input field), and 'Privacy Mode' (a dropdown menu currently set to 'Public'). A red 'UPDATE MY VIDEO' button is positioned below these fields. The 'Video's White List' section follows, with a note about private mode and a text input for 'User Email'. A red 'ADD TO MY VIDEO'S WHITE LIST' button is located below this. At the bottom, the 'Delete this video' section includes a warning about the definitiveness of the action and a button labeled 'DELETE THIS VIDEO (DEFINITELY)'.

Uncharted 4 Gameplay - part1.mp4 - Edition

Video Name
Uncharted 4 Gameplay - part1.mp4
The name of your video is important to help other users to find your videos. It will be used in our Search Engine to give the best suggestions for our users.

Video Description
Watch the beginning of the ultimate car chase from E3 2015 press conference demo. Several years after his last adventure, retired fortune hunter, Nathan Drake, is forced back into the world of thieves. With the stakes much more personal, Drake embarks on a globe-trotting journey in
The description of your video is here to add a textual description to your video. You can add some details, links, translations, summary or anything that you want here. Depending on the relevancy of the description, it may be used in the Search Engine.

Video Category
Video games
The category of your video will help other users to find your video. It will also improve the way your video is suggested to other users.

Video Tags (separated by a space)
Video Tags
The tags are keywords you can use to describe your video. They are not the most important point, but if you choose them wisely they will help us to promote your video. (Maximum: 10 tags per video)

Privacy Mode
Public
Public will put your video in our Search Engine and it will be available publicly and in the search module. Link Only won't index your video in our Search Engine and it will be available only to the people who has the link. Private will give the access to your video through a White List (if this option is selected you can modify this white list below).

UPDATE MY VIDEO

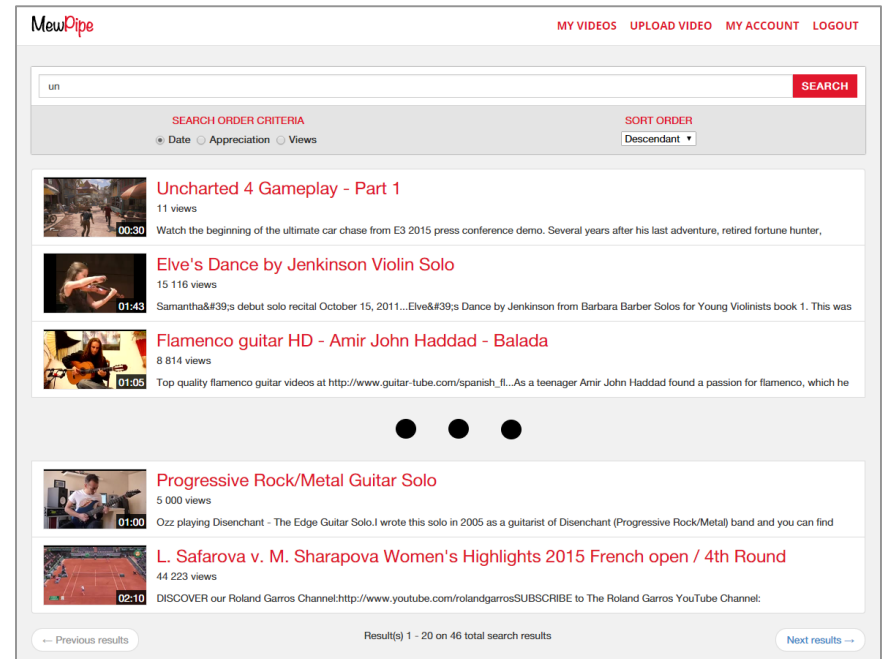

Video's White List
Your video is currently in private mode. This means that only you and the persons in the list on the left can see this video.
You didn't allow anyone to see this video yet.
